She did ask for (b) (5)

I shared that I would take that back but may not be the correct person to answer those questions.

Good afternoon Joan, Jacek, and Mili,

I wanted to make you aware of an inquiry from the White House. Liz Bloom, who I know from the IPC on Countering Antisemitism, Islamophobia, and Related Forms of Bias reached out regarding the recent NPS message to employees on uniforms.

Because this involves a contact from the White House, I believe this should be referred to you for appropriate processing. Please let me know if you disagree or would like me to do anything further. Please let me know if you would like to send any message back directly to Liz or refer her to anyone in particular at DOI.

Thank you.
